KNOWS & DECIDES

PROFESSIONAL KNOWS&DECIDES: WHAT WOULD BE MOST WANTED BY PEOPLE OF BUSINESS WHO VALUE SOUND, RELIABLE THINGS.

The products of TM PROFESSIONAL are made of the latest synthetic materials. For briefcases, portfolios, messenger bags, men's handbags only high-quality artificial leather is used. It is produced by applying a polymer skin (polyvinylchloride, polyurethane) onto a fabric backing. Then patterning and finishing is carried out. Consequently, TM PROFESSIONAL products are highly resistant to water, light, temperature (up to -40°C), as well as to wear, tear and deformation. Besides, they are easy to clean – care is limited to wiping by a soft sponge with glycerin.

TM PROFESSIONAL PRODUCTS ARE NOT ETERNAL, THEY ARE DURABLE AND THEIR QUALITY IS CONFIRMED BY ISO 90001:2000 CERTIFICATE.
